## FARMERS *and* BREEDERS

This catalog is issued as an invitation to attend our First Sale of Pure Bred Shorthorn Cattle. For several years we have been selecting good individuals of the best breeding for the purpose of improving and building up our herd of cattle. The offering of cattle included in this sale represents the results of our best efforts and we are pleased to present them to discriminating buyers as a good lot of useful cattle.

The breeding of the cattle shown in the detailed pedigrees need no further comment and we assure you the individuals are in keeping with the blood lines represented.

We are including several cows that have made money in our hands by producing excellent calves each year. These are the kind of cows to buy as they will be a most profitable investment if given proper care and attention. A number of these cows will sell with calves at foot and are rebred. This is the kind of cattle to buy either to start a herd of cattle or for the improvement of your present herd.

We will appreciate your presence on sale day.

Very truly yours,

PAT KELIHER & SONS.

This sale affords the opportunity for breeding cattle of the worth while kind. All are well bred and most of them are attractive individuals. The large number of calves is an indication of special desirability showing, as it does, marked regularity in reproduction. Another and a most important feature is the fact that there are many of the get, and females bred to that good bull Thaxton's Defender, one of the good bulls of the breed as well as one of the best sires. This attractive bull is by the International champion King's Secret and is from a dam by Cumberland Marshall one of the best sires of the breed and he a product of the International champions King Cumberland and White Hall Marshal. None are better bred and few are more attractive right now than Thaxton's Defender a bull that is destined to contribute much to the history of the breed.

Pat Keliher & Sons in presenting this Catalog of their first annual sale may well feel proud of the progress they have made in producing good Shorthorns. The foundation for this herd was laid with thoughts of the future in mind and with the idea of making it a permanent Short-horn breeding institution. Exactly the same motives prompted them to place at the head of their herd the intensely bred Cumberland bull, Thaxton's Defender. The offspring from these matings have indeed been gratifying.

The cattle listed herein may be classed as real improvers. They come through Shorthorn tribes which have proven themselves real producers in the Keliher herd and which will do equally well in their new homes. The cattle will be found to be in good thrifty condition and selling, as they are, with the absolute guarantee of a truly constructive breeding firm, this offering presents a splendid opportunity to prospective buyers.

I am sure you will find this a profitable sale to attend.

(Signed) HAL LONGLEY, of the

SHORTHORN WORLD.

## A THAXTON DEFENDER EVENT

The above title should inspire confidence to the Short-horn breeding fraternity and prospective breeders, who want merritorious breeding stock for foundations and improving their herds. Thaxton Defender probably the greatest breeding son of the great King's Secret is proving his worth as a sire of exceptional ability. He has developed into a show bull and his progeny seen on the farm recently are types that are most pleasing in colors, conformation and style. The matings have been on a constructive idea, that of producing Shorthorns of outstanding character. Pat. Keliher & Sons' breeding plant has not been with the idea of how many Shorthorns they could produce, but how good they could produce them. In the selection of the matrons to be mated with Thaxton Defender they used careful judgment. Most of the females have calves at foot by this great breeding and show bull. Best of tribes represented, well formed udders are conspicuous and in fact the entire offering will appeal to those wanting truly great Shorthorns, being sold by men who are an asset to the breed and stand back of their cattle, I heartily recommend this sale as a Shorthorn event worth while.

(Signed)
